Terms of Service

Last updated February 9, 2023

PLEASE READ THESE TERMS AND CONDITIONS OF SERVICE CAREFULLY AND ENTIRELY, INCLUDING THE "LIMITATIONS OF LIABILITY" AND "CHOICE OF LAW AND JURISDICTION" SECTIONS BELOW BEFORE ENROLLING IN AND USING THE SERVICE.

1.0 The Terms

1. These Terms and Conditions of Service ("Terms") describe your rights and responsibilities regarding the Care Oncology, Inc. Services ("Services"). The Services include a variety of Care Oncology services, the patient portal provided by and operated by Care Oncology, Inc. for accessing the services, the Care Oncology, Inc. Website, and all communications from Care Oncology, Inc., whether verbal, written, or digital.
2. In these Terms, "we", "our", "us", and "Care Oncology, Inc." collectively refer to COI. The terms "you" and "yours" refer to the person using the Service.
3. The Terms incorporate by reference the following additional terms:
 - a. COI Privacy Policy (<https://careoncology.com/privacy-policy/>), as may be updated from time to time, which sets out the terms on which we process any personal data we collect from you, or that you provide to us. By using the Service, you consent to such processing, and you must ensure that all data provided by you is accurate.
 - b. COI Privacy Practice policy (<https://careoncology.com/privacy-practice/>), as may be updated from time to time, which sets out data retention periods.
4. This Service is offered and available to individuals who are 18 years of age or older. By enrolling and using this Service, you represent that you are at least 18 years old and can form a binding contract with us. If you do not meet these requirements, you may not access or use this Service.
5. If we are unable to accept your enrollment, we will inform you of this and you will receive a refund of your enrollment fee. This might be because we determine your health condition renders our Services medically inappropriate, unexpected limits on our resources which we could not reasonably plan for, or because we have identified an error in the price or description of the services
6. COI may revise these Terms and its Services at any time; the updated Terms and Services will be posted to the patient portal. Any revisions are effective immediately upon posting; the date the Terms and Services were last revised is identified at the top of the page. You are bound by any such revisions and should, therefore, periodically visit the patient portal to review the current Terms and Service. If you do not agree with the change in Terms or Services, you must notify us in writing within 3 calendar days from the date the updated Terms or

Services were posted in the patient portal. Upon receipt of your written notice, we will refund of any sums you have paid in respect of services not yet received.

7. These Terms are a legally binding agreement between you and Care Oncology, Inc. By enrolling, accessing and utilizing the Service, you acknowledge that you have read, understood and agree to these Terms. If you do not agree to these Terms, you may not access or use the Service.

2.0 The Services

1. The Services include, but are not limited to:
 - a. Access to a variety of services provided by COI;
 - b. book appointments for consultation with COI healthcare providers; and
 - c. securely share medical information with COI healthcare providers through the Portal;
2. Your access to Services will commence on the day of your enrollment and continue for the term of the program you have enrolled.
3. Due to differences in state law, all or part of the Services may not be available in all states.
4. Cancellations & Refunds. Due to the resources required to schedule oncologist appointments and testing services, we apologize in advance that Care Oncology, Inc. is NOT able to offer full refunds for tests or appointments. We can provide a partial refund if you cancel up to three days before your scheduled appointment. Cancellations less than 3 days before your appointment, however, will not be refunded.

2.5 Rescheduling, Cancellations, and Refunds

Rescheduling Policy

We understand there may be occasions when a booking must be rescheduled. However, the demand for services is high, and late changes prevent us from being able to reassign an appointment to another patient. Therefore, we kindly ask that you please provide no less than 48 hours' notice so that we may manage the clinic schedules efficiently and provide the best possible service to all our patients, at the lowest possible cost.

Appointments can be rescheduled with 48 hours or more advance notice (normal business hours) free of charge.

Appointments rescheduled less than 48 hours prior to appointment time, (normal business hours) will incur a **\$100 late fee**.

***We recognize there are times when extenuating circumstances will prevent you from rescheduling your appointment before the minimum time period; please discuss these with the Clinic Manager.**

Cancellations and Refund Policy

While Care Oncology will always strive to provide the best possible care for our patients with cancer, we acknowledge there are circumstances under which the requested services require change or interruption; to accommodate this while offsetting expenses already incurred, we have put the following cancellation and refund policy in place.

For cancellation of all services before any records have been requested and received, or lab tests requisitioned and received, and no consultation with clinical staff has occurred, a refund in full will be provided.

A refund request made after medical records are received and reviewed by the clinical staff will incur a \$350 admin fee.

A refund request made after medical review and completion of lab tests will incur a \$500 admin fee.

A refund request made after clinical consultation and treatment has been prescribed will be eligible for a 25% refund. This applies to initial consultations only. Follow-up consultations are deemed to have occurred in full.

Rescheduling of appointments: please see Rescheduling Policy above.

“No Shows” will not be eligible for a refund. Please reschedule or cancel as per the policies above.

A signed and returned Patient Termination Letter is necessary prior to the processing of any refunds. Please allow 10-14 business days for refund processing after receipt of signed termination letter.

Business Office Hours

8:00 am to 5:00 pm EST Monday-Friday

Physicians and Nurse Practitioners are available after 5:00 pm EST and on Saturday and Sunday for SCHEDULED APPOINTMENTS ONLY.

The above policies are subject to the Terms of Service agreement and are subject to revision at the company's discretion. Revisions are posted on the website under the Scheduling and Refund Policy.
